

The Future Of International Space Station Utilization: An Industry Perspective

Preliminary Agenda

Hampshire Hotel Fitland, Leiden, The Netherlands

Day 1: December 7, 2015 – 9:30 am-5:00 pm

9:30-9:45 am

Welcome – Jeffrey Manber, CEO NanoRacks

9:45-10:15 am

Keynote Discussion: “Europe’s ISS Utilization: Today and Tomorrow”

- Michael Suffredini, SGT, Former NASA ISS Program Manager
- Bernardo Patti, ISS Program Manager, ESA

10:15-10:45

One Commercial Pathway: How NanoRacks Interfaces With NASA and the Space Station Partners & Who Are Our Customers? What Are They Doing on ISS?

- Richard Pournelle, Senior Vice President of Business Development, NanoRacks

Coffee Networking Break

11:00-12:00 pm

Customer Panel: Internal International Space Station Payloads

- Moderator: Mary Murphy, Internal Payloads Manager, NanoRacks
- Panel:
 - Dorin Prunariu, Cosmonaut and Member of the Board, Romanian Space Agency
 - Gary Stutte, President, SyNRGE LLC
 - Hamish Torrie, Director of Corporate Social Responsibility, Glenmorangi/LVMH
 - Dr. Fengyuan, Professor, Beijing Institute of Technology
 - Luca Briganti, Head of Life Science and Commercial Payloads, Airbus DS

12:00-12:30 pm

International Space Station Satellite Deployment: Speaker: TBD

12:30-1:00 pm

Vendor Display

- Oxford Space
- Gomspace
- ISIS
- Airbus Random Positioning Arm

1:00-2:00 pm: Lunch

2:00-3:00 pm

Customer Panel: External International Space Station Payloads

- Moderator: Conor Brown, External Payloads Coordinator, NanoRacks
- Panel
 - Vytenis Buzas, CEO, NanoAvionics
 - Dennis Elgaard, APAC Sales Manager, Gomspace
 - Jeroen Rotteveel, CEO, Innovative Solutions in Space (ISIS)
 - Airbus, Speaker - TBD

3:00-3:45 pm

External ISS Platforms

- NanoRacks External Payload Platform (NREP)
 - Airbus/NanoRacks
- Bartolomeo Concept
 - Airbus

3:45-4:15 pm – Coffee/Networking Break

4:15-5:00 pm

Commercial Space Station Airlock

- Mike Lewis, CTO, NanoRacks
 - Featuring Thales and OrbitalATK, Speakers TBD

5:00-5:15 pm

End of Day Summation

6:00 pm: RECEPTION

Evening reception, sponsored by Ardbeg Distillery's Scotch Whisky

Tuesday, December 8, 2015, 9:30-12:30 pm**9:30-10:30 am**

Stepping Stones to Low Earth Orbit

- Erika Wagner, Blue Origin, Business Development Manager
- Thorben Koenemann, Deputy Scientific Director, ZARM FAB mBH

10:30-11:00 –Coffee/Networking Break**11:00-11:45 am**

European Researchers Panel

- Moderated By: Dr. Jessica Grenouilleau, Systems Engineer, Robotics & Future Projects Office, ESTEC
 - Franco Fenoglio, Thales, Head of Advanced Exploration Programs
 - Pierfilippo Manieri, ESA, Head of Biology and Physiology Payload Section, Development Department

12:00-12:30 pm

Educational Access to Space

END
